

I writing in response to MB Docket No. 04-233. I am a listener of K-Love radio. K-Love reaches many people the are alone and lost. Many times these people have troubles and K-Love is the only hope they receive. K-Love also lets me know about events in my community that I would otherwise would not have known about. If a LPFM broadcaster were used instead of KLove's broadcasting it would be a real detriment to me and the community. It is in the public's interest to keep K-Love's broadcasting the way it is because of it's unique postive message that many don't hear today in these times of negativity. Thank you for taking this issue into consideration and not changing to a LPFM broadcaster.
